

Year 7 Learning Map

El instituto: School				
Prior Learning This topic builds on what you learnt in our previous topic when describing and introducing yourself. It will include previously learnt vocabulary such as: numbers, days of the week, connectives, key verbs and opinion phrases.		Current Learning In this topic you will learn to write and talk about your school life in Spanish. You will be able to describe your timetable and give your own opinions about your school uniform and the subjects you study. You will also learn to tell the time in Spanish as part of this unit of work.		Subsequent Learning This topic will prepare you for becoming a more confident speaker of Spanish. The vocabulary we learn, such as opinions, can be applied to any topic. After this unit of work we move on to talking about our week, so knowledge of the present tense and being able to give the time will be crucial in later learning.
