

## Year 8 Learning Map

Boys' Dance				
<b>Prior Learning</b> You may have knowledge of dance skills from Key Stage 2 or other out of school clubs. You have also completed a unit of dance in Year 7. You have knowledge of basic choreography and compositional skills, and are able to perform solo and as part of a duet. You are able peer assess performance and provide praise and next steps to aid improvement of work.		<b>Current Learning</b> You will develop an understanding and appreciation of the development of basic motifs using the idea of robotics choreography. You will develop your choreography skills to perform both as an individual and in a group. You will be able to evaluate your own and others performances, suggesting praise and next steps to improve.		<b>Subsequent Learning</b> Skills developed in this dance unit can be transferred to other to sports such as gymnastics. Choreography skills and choreographic concepts can be adapted or developed to use in a gymnastics sequence.  Observation and evaluation skills can be used across all other areas of sports.
