AQA ART & DESIGN

Pre-Induction Task 2025

For your Pre Induction Task, to be completed for your first Art & Design lesson in September, the **Art Team** would like you to create a piece of work on the theme of movement and travel. Sydney Carline and Peter Lanyon, for example, have explored the soaring freedom of flight creating aerial images of landscape beneath them.

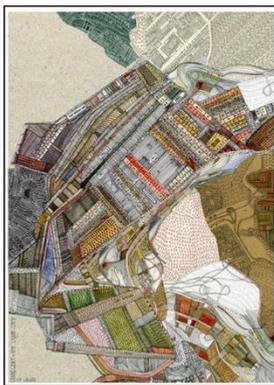

Complete a 10 to 15 minute walk and can document your route in a map format.

- Re-walk the route number of times and complete the following tasks:
- Collect objects to photograph and draw
- Write notes about things you see or conversations you have on the way
- Photograph the horizon at different points orbits of buildings etc use a range of media to draw parts of your route try to do this whilst you are out.

Create a new piece of work from all these elements using a variety of different media, look at the examples below for further inspiration. Your work should be a minimum of A3 in scale.
