September 2025

Dear parent/carer,

We would like to invite you and your child to our Open Evening, on **Thursday 2 October 2025**, so we can show you why we are so proud of Ridgewood School.

The Open Evening, which takes place between **4.00pm and 7.00pm**, is an opportunity for your son/daughter to visit the school, take part in a wide range of exciting activities, and to meet our teaching and support staff. We will be able to answer any questions you may have about your child's transition to secondary school. Your child will get the chance to see the facilities we offer, experience some of the work he/she will be doing from September and see what it is that makes our students' experience at Ridgewood so unique.

There will also be the opportunity to attend the Headteacher's talk at the following times:

4:15pm

4:45pm

5:15pm

All Year 6 students in our local primary schools and their parents have been invited to our Open Evening, and we do hope you will be able to attend. It is also important to remember that, if you wish your child to attend Ridgewood from September 2025, you are required to complete the local authority's Parental Preference form and submit it to them. Staff will be available on the evening to discuss this.

As we are in the exciting process of building a new school at Ridgewood, our car park is currently unavailable. We would kindly ask that if you are able to walk or car share, please do so, although there will be limited parking in Stone Hill School, which is located next door to Ridgewood. When you arrive at our Open Evening, staff will direct you to our parking areas, from where we ask that you make your way to our Faraday Building. The Headteacher will give talks throughout the evening in the auditorium in Faraday, and our guides, who will be located in this building, will be happy to meet you and take you on a tour of our school.

We hope you can join us at our Open Evening, and we look forward to welcoming you and your child to Ridgewood.

Yours faithfully

A Peirson  
Headteacher
