RIDGEWOOD  
SCHOOL

Barnsley Road, Doncaster  
DN5 7UB  
01302 783939

Dear Parent/Carer

We pride ourselves on our high standards of student behaviour and conduct at Ridgewood School. Through the regular monitoring of our systems in school, we would like to inform you of a change to our whole school detentions.

As of Monday 4<sup>th</sup> December the 'last chance' detentions will stop. This means that if your son/daughter receives an after school detention, they will be required to sit it on the following school day (apart from Mondays due to staff training.) It is extremely important that your son/daughter sits their detention on the following school day so they do not receive a Fixed Term Exclusion. Students will only be given permission to miss their detention if they have a valid medical appointment and you as parents/carers would be required to inform the school in advance of them sitting their detention. They will then still be required to sit it the next day.

Thank you for your continued support.

Yours sincerely

Miss J Proctor  
Assistant Headteacher
